Somerville, Massachusetts 02144

Dear Mr. Kick:

This letter is our final response to your Freedom of Information Act (FOIA) request, submitted through the United State Department of Agriculture's Public Access Link, and assigned to the Office of the Assistant Secretary for Civil Rights (OASCR) on February 22, 2019. Your request is assigned FOIA case number 2019-ASCR-02366-F. Specifically, you requested a copy of OASCR's FOIA request log covering 2018, which includes a field showing the subject of each request and a field for the final disposition. Further, you request that this document be sent in any digital formats in which it exists (such as PDF and Excel).

We conducted a search for responsive records and located 21 records for 2018. After reviewing these records, we determined that some information should be withheld in part pursuant to FOIA Exemption 6, 5 U.S.C. § 552 (b)(6). Therefore, where indicated on the enclosed electronic 2017 FOIA Log, we withheld certain names and identifiers. We also withheld in part information pertaining to records collected for investigative purposes pursuant to Exemption 7(C) of the FOIA.

Exemption 6 protects all information about individuals in "personnel and medical files and similar files," where the disclosure of such information " would constitute a clearly unwarranted invasion of personal privacy." In determining whether a disclosure would constitute an unwarranted invasion of personal privacy, OASCR must balance the public's right to disclosure against the individuals' right to privacy.

Exemption 7 (5 U.S.C. 552(b)(7)) protects from disclosure "records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy."

The determination as to whether the disclosure of private information is required under Exemptions 6 and 7(C) turns not on the identity of the requester or on the purpose for which the record is sought, but on the nature of the information requested and its relationship to the core purpose for which Congress enacted the FOIA: to shed light on an agency's performance of its statutory

duties. We have determined that the release of the names and identifying information of persons involved in the investigation implicate the respective personal privacy interests of those individuals.

In accordance with 7 CFR Appendix A to Subpart A of Part 1, we will not assess charges for processing your FOIA request.

The FOIA provides you the right to appeal this determination. Any appeal must be made in writing to:

Ms. Winona Lake Scott  
Associate Assistant Secretary for Civil Rights  
U.S. Department of Agriculture  
1400 Independence Avenue, SW  
Room 507-A, Whitten Building  
Washington, DC 20250-0115

The appeal must be received **not less than 90 days after the date of this letter**. The term "FOIA APPEAL" should be placed in capital letters on the front of the envelope.

This completes the processing of FOIA request number 2019-ASCR-02366-F.

Sincerely,

Shawn S. McGruder, Executive Director  
Center for Civil Rights Enforcement
